ADDITIONAL COMMENTS	
After recalculation of the defendant's guideline range based on the Fair Sentencing Act of 2010, the defendant's guideline range remains unchanged. After taking into account the multiple substances involved, the marijuana equivalency is 1,234.3808 kilograms, which yields a base offense level of 32. Level 32 was the original base offense level as well. Accordingly, no reduction is warranted under the retroactive application of the Fair Sentencing Act of 2010.
